# FALL 2008

SEPTEMBER 1–DECEMBER 31, 2008

CITY OF LODI  
COMMUNITY  
**ARTS**  
DIReCTORY

# welcome...

Dear Community Center and Parks and Recreation Patrons,

On behalf of the City of Lodi and the staff at Hutchins Street Square Community Center, it is our pleasure to once again be providing the residents of Lodi and the surrounding area our Fall 2008 Community Arts Directory. For those of you who are familiar with our programs you can see that our offerings continue to grow with each season. This directory represents arts, recreation and library programs designed and developed by Hutchins Street Square, Parks and Recreation and the Lodi Public Library.

As we move forward this year, you will start to see many changes that we feel will be of great benefit to the community. One of our first tasks is getting the directory online for easy access from home or work. This will allow many of our current and potential users more flexibility in finding offerings that may be of interest. In addition to the directory, through both Parks and Recreation and the Community Center, we will be launching web registration in time for Spring of 2009. This new service will allow for one-stop online access to all recreational programs produced or sponsored between the two departments.

We hope that as you peruse the directory we have provided something of interest for your recreational entertainment. But if, for some reason, we do not have what you are looking for, please feel free to contact us. We are always looking for new ideas to grow our program and we can think of no better way than to ask you, our patron, what you would like to see provided.

Once again, the staff of Hutchins Street Square and Parks and Recreation, wish you a prosperous Fall of 2008 and we look forward to seeing at our programs.

Sincerely,

James M. Rodems  
Director—Hutchins Street Square Community Center  
Interim Director—City of Lodi Parks and Recreation Department

## THEATRE ARTS

### CHANGING FACES THEATER COMPANY ACTING CLASSES

#### ACTING I

##### NO EXPERIENCE NECESSARY

This class is primarily for those students with very little acting or theater course experience, although, those who may be unsure or a bit rusty will greatly benefit from the instruction. The course will focus on six main aspects of theater: TEAM-BUILDING/TRUST, MOVEMENT, VOICE IMPROVISATION, ONE-ACTS AND SCENE/MONOLOGUE WORK. The goal for this class is to get students comfortable with themselves and the space around them. Students will also learn to work with others in pairs or in groups, to build a sense of trust and to learn some basic skills of performance and character development. Every student is bound to learn a lot of practical acting techniques from this course. Students who have previously taken this course will benefit from repeating it, as we will introduce some new activities, as well as bring back some of those from the course last winter. Instructor has 18 years of experience in teaching, acting and directing.

### YOU'RE ON THE AIR (HOW TO REALLY MAKE IT IN VOICE-OVERS!)

Voice-overs are hot today! You don't have to be an actor to get voice-over work, but it certainly doesn't hurt! With such a notable talent as James Earl Jones, Linda Hunt and Donald Sutherland lending their voices to commercial, films and videos, one would think that I would be next to impossible to break into this field. Not so! In this class you'll learn about an exciting new way to get around the competition and actually turn voice-overs into a thriving full or part time business! Dan Levine, a well-known commercial producer and Tony Award-nominated Broadway composer will discuss voice-over technique in a recorded portion of the class. Lisa Foster, successful voice-over artist (Crest Toothpaste, Olay, LA Weightloss, Sleep Train and many, many more), will introduce students to the numerous opportunities, the income potential, and the all-important demo and how to have it produced. You'll step up to the microphone to do some practice recording, and best of all, hear the results!

## LODI LAKE NATURE AREA NATURE STUDY TOURS

Come join a nature study tour on the trails at the Lodi Lake Nature Area. The Lodi Lake Nature Area Docents have, since 1986, been interpreting the natural areas along the Mokelumne River to groups of students, scouts or other groups as a link to their classroom curriculum, scout badge requirements or for their pure enjoyment. Tours are available August through May, from 9:30-11:00 am, by appointment only. Please allow four weeks of advance notice to book your tour. Optimal group size is 15-20 students per docent. Trails are flat and walking is easy. What better way to enhance your classroom study than to get your students out in the wonderful, natural California landscape, enjoying the great outdoors.

### COST

\$40.00/perclass of 20 students/LUSD school boundaries. \$50.00/perclass of 20 students/non-LUSD school boundaries. Additional students are \$2.00 or \$2.50 per student. Call Kathy Grant at 209.339.8722 or email kathygrant@sbcglobal.net to book a tour.

The Discovery Center, a natural history museum, will be closed for the 2008-2009 school year due to Boat House improvements at Lodi Lake.

## KAYAK SAFETY

Sierra Adventure Outfitters and Hutchins Street Square have teamed up to offer comprehensive kayak safety lessons at the Hutchins Street Square pool. We teach two classes a month, both on Friday nights. The second Friday of the month we teach a wet exit and rescue class. In this class we discuss the different parts of a kayak and the equipment we use to get back into the boat.

We teach easy techniques to get in and out of your boat from the dock without getting wet. Then once you're in the boat we walk you through the proper way to exit your boat in case of a capsize, in a warm and safe environment. At this point, we go over several techniques to quickly get you back into your boat. This class is a must for anyone who plans to paddle on open water and along rivers with steep banks, or even for someone who just feel more comfortable in a kayak.

On the last Friday of the month, we teach a Personalized roll class. This class is limited to three students. We have professional kayak instructor Dan Crandell come to the pool and give lessons. In this class, Dan walks you through the basics of the Eskimo Roll. This is a more advanced class for anyone who plans on paddling in fast moving rivers, ocean, or bays. The Eskimo Roll is the safest and easiest self rescue technique because it allows you to roll your kayak back up right without exiting your boat or filling it with water. For more explanation on either of these classes please call Dan at Sierra Adventure Outfitters. For those of you who know how to roll, we also open up half the pool on this night for practice.

**COST** Wet exit class \$50.00; Roll Class \$50.00; Roll Practice \$10.00

To make reservation please call or stop by:
